

DEATH OF SENATOR KNOX WILL CAUSE BIG CHANGES

Was Chairman of Rules Committee and Member of Five More Bodies.

CURTIS SLATED FOR CHAIR

Other Vacancies Will Occur in Republican Membership of Senate Organizations—Many Names Under Consideration.

(By Associated Press) WASHINGTON, Oct. 13.—Several important changes in Republican membership on Senate committees are to be made as a result of the death of Senator Knox, of Pennsylvania, who was chairman of the Rules Committee, and a member of the Foreign Relations, Inter-Oceanic Canals, Territories and Insular Affairs, and Congressional Library Committees. At a conference today leaders decided to call a meeting of Republican Senators for next week to decide upon the changes.

State Curtis for Chair.

Senator Curtis of Kansas, Republican "whip" and vice-chairman of the Republican organization, is slated to become the Rules Committee chairman. Under the seniority rule, Senator Nelson of Minnesota would be in line, but it is understood that he prefers to remain chairman of the Judiciary Committee. Senate rules prevent a member from being the head of two major committees, and Curtis was understood to be ready to relinquish the chairmanship of the Indian Affairs Committee.

For the vacancy on the Foreign Affairs Committee, reports today included the names of Senators Speer of Missouri, Hale of Maine, Rutherford of Washington, and Francis of Maryland. Leaders said the vacancy would be filled only after careful consideration of the position of the candidates on the Versailles treaty.

To Fill Other Vacancies.

Vacancies on the important Finance or Appropriations Committees also may have to be filled. If Senator Curtis should head the Rules Committee, he would, under Senate rules, be required to relinquish his place on one of these two major committees. If he should resign as chairman of Indian Affairs Committee, another important post would have to be filled, with Senators La Follette, of Wisconsin; McNary, of Oregon; Spencer of Missouri; Harrel, of Oklahoma; and Cameron of Arizona, in line, re-

TRIPLE MURDER CHARGE PLACED AGAINST GREEK

Fsouarakis Sent on in Deaths
of Bumboater and Two

Japs.

HAMPTON, Va., Oct. 13.—K. Psoularakis, native of Greece, was held by the grand jury this morning in the magistrate's court, charged with a triple murder.

Formed charges of killing his friend, George Andrews and two Japanese were placed against him by Roland D. Cook, State's attorney. He was represented by C. Vernon Spratt.

Just this morning did the State take formal action against Psoularakis and show their disbelief in his story. Last week Psoularakis came from the water and said that two Japs had killed Andrews in the

water with him, and then had jumped into the water themselves.

The principal evidence against Psoularakis is said to be the finding of an empty pocketbook belonging to one of the dead men on the beach.

Jury Declares Woman Signed Theodore Roosevelt's Name to \$60,000 Note.

(By Associated Press) NEW YORK, Oct. 13.—Mrs. Emma R. Burkett of Hillsdale, Ind., today was found guilty by a jury in General Sessions Court of forging the name of former President Theodore Roosevelt to a note for \$60,000.

The jury, which deliberated four and one-half hours, recommended the extreme clemency of the court. Judge Alfred J. Tally announced he would impose sentence October 21.

In Trouble Over Corn Liquor Sale.
LYNCHBURG, Va., Oct. 13.—Clarence Coleman has been arrested here on the charge of selling a gallon of corn liquor for \$7, marked up 100 percent. He has been given by the police to a state prison, being taken off Coleman's prison at the time of his arrest. Coleman has a suspended jail sentence pending for a former conviction, and if he is convicted upon this second charge will have to serve both.

To Relieve Catarrh,
Catarrhal Deafness
And Head Noises

Persons suffering from catarrhal deafness, or who are growing hard of hearing, should have noted with gladness that this distressing affliction can usually be successfully treated at home by an internal medicine, that in many instances has been entirely removed after one treatment, have had to repeat. Sufferers who could scarcely hear have had their hearing restored to such an extent that they can talk with each other six feet away from either ear. Therefore, if you know of some one who is troubled with head noises or catarrhal deafness, consult this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. This prescription can be prepared at home.

(From your druggist.) 1 oz. Parment (Double Strength). Take this home and add to it 1 pint of hot water. Add a little granulated sugar, stir dissolved. Take one tablespoonful four times a day.

Parching is used in this way not only to reduce by tonic action the internal parts, but to regulate the air pressure on the drum, to correct any excess of secretions in the middle ear, and the results it always are nearly always quick and effective.

Every person who has earache in any form or distressing rumbling, hissing sounds in their ears should give this recipe a trial.—Adv.
